Bré,

In October when we were faced with the challenge of choosing an auto body shop, I made 2 calls. Airport Auto Body was my second call and you answered the phone and gave me all the information I needed, answered my questions and more to decide.

From the 1st phone call, our visit and tour and the final visit to

get the antenna connected, you were there, pleasant, courteous, helpful, knowledgeable. You made the experience a good one. The work done was satisfactory and we are pleased with the results but you were the excellent customer interface. Airport Auto Body has an outstanding person at the front desk. We thank you and hope the owners recognize just how valuable you are to them.

Sincerely,

Ken & Joyce Dell
